World War II
IN ENGLAND, FRANCE AND THE NETHERLANDS
APRIL 2 - 14, 2016
Hosted by Ryan Noppen
Many of us wander around the great cities of London, Paris, and Amsterdam not stopping to think that the greatest military conflict in history was fought in and around these areas just over 70 years ago.

On this trip we wander slightly off the beaten path (or in some cases on the beaten path) and focus on World War II sites, museums, and poignant memorials. This tour will bring us face to face with reminders from several of the campaigns from the Western European Theater of the War: The Invasion of the Netherlands, The Battle of Britain, Operation Overlord (D-Day), the Atlantic Wall, and Operation Market Garden. This includes visits to battle sites in Rotterdam, Churchill’s War Rooms, Omaha and Utah Beaches, the American Military Cemetery in Normandy, Sainte Mère Église, the massive German Todt Battery on the Atlantic Wall, and Arnhem with its famous John Frost Bridge. We will also visit several excellent museums that explain different aspects of the war in good detail and with superb collections of artifacts, vehicles, aircraft, and even ships. Some of these include the British Imperial War Museum, the Royal Air Force Museum, the Bovington Tank Museum, the Dutch Naval Museum, the Dutch Nationaal Militaire Museum, and the Airborne Museum in Arnhem. But if you think that everything on this trip will be nothing but war, war, war…. no worries; there will also be plenty of free time in London, Paris, and Amsterdam for individual exploring, shopping, and dining. There will also be a special excursion to the impressive Mont Saint-Michel off the Normandy coast.

Finally you will have someone who is well-versed in World War II as your guide for the tour. Ryan Noppen, Program Coordinator in the Meeter Center at Calvin College, has previously worked in the defense industry and is the author of six books and several articles on aviation, naval, and military affairs. He has also taught CALL courses on World War I and World War II for the last eight years. There will be a few suggested readings and movies before the trip to help enhance the overall experience. Also, Ryan will give brief presentations on site, on the bus, and will show a few movies on the bus during the road trips. We look forward to having you join us!

14, THURSDAY
Return

All too soon it is time to head home. After breakfast you transfer to Schiphol Airport for the return flight to the U.S. (B, L – in flight)
The cost of your tour includes:

Air transportation from Grand Rapids to London and returning from Amsterdam to Grand Rapids with any regularly scheduled air carrier, based on a nonrefundable/nonchangeable fare, which requires a minimum of 10 passengers traveling round trip together. Tickets are issued 45 days prior to departure. All current airlines taxes, security fees and fuel surcharges are included. Note that these items cannot be guaranteed until tickets are issued.

Secure flight information. The requirement to collect date of birth, gender, and full name are federally mandated by the Transportation Security Administration’s (TSA) Secure Flight Program. While disclosure of this information is voluntary, if it is not provided, participants may be denied boarding. For TSA’s policy and more information, visit http://www.tsa.gov and search on Secure Flight. Witte Travel & Tours (Witte) takes all reasonable steps to safeguard the privacy of all information collected from its clients.

Frequent flyer points are not guaranteed in connection with group airfares. Some airlines may limit group airfare credits to 25% to 50% of the frequent flyer points that apply to individuals while others do not offer any credits for group airfares.

Hazardous Materials. Federal law forbids the carriage of hazardous materials aboard aircraft in your luggage or on your person. A violation can result in five years’ imprisonment and penalties of $250,000 or more (49 U.S.C. 5124). Hazardous materials include explosives, compressed gases, flammable liquids and solids, oxidizers, poisons, corrosives and radioactive materials. For more information, examples and special exceptions, visit: http://www.tsa.gov/traveler-information/prohibited-items.

Land transportation. A deluxe air-conditioned motorcoach is used for transfers, excursions, and travel between cities. Because motorcoach travel is restricted in many European cities, sightseeing is often done on foot or via public transportation. Ferry transportation across the English Channel is also included.

Accommodations based on two persons sharing a room with private facilities. Accommodations on board the overnight ferry will be provided in twin-berth inside cabins that do not include private facilities. Most hotels we use range from moderate first-class to standard first-class. When hotels in these categories are not available, top-quality superior tourist-class properties are selected. The supplement for single accommodations is $960. Single accommodations on board the overnight ferry, if required and if available, will be charged separately. If you register alone but want a roommate, we will do our best to assign one. If a single room must be assigned to any member of the group for any reason, even if it is at the last minute or while on tour, we will need to charge the single supplement. Changes in rooming arrangements requested by the participant 45 or fewer days prior to departure may result in additional charges.

Meals. Breakfast daily, lunches and dinners as indicated in the itinerary. Dinners do not include beverages.

Tour personnel. A British tour manager to accompany the group from arrival in London until departure from Portsmouth. An English-speaking tour manager to accompany the group from arrival in Caen until departure from Amsterdam. The tour managers may be assisted by local guides as needed.

Sightseeing and admission fees in accordance with the itinerary.

Tipping and taxes are included for all services, including the tip for the tour managers and motorcoach drivers.

The tour cost does not include passports, airline luggage fees if charged, portage of luggage, optional travel protection plan including luggage and trip cancellation coverage, optional excursions, independent meals, and any other items not mentioned as included.

Luggage allowance. You may take one suitcase with a maximum size of 62 linear inches (height plus width plus depth) and weight of 50 lbs. You may also carry a purse, a camera and one piece of hand luggage with a maximum size of 45 linear inches and weight of 15 lbs. These size and weight restrictions conform to most airlines’ requirements. Hand luggage does not fit in the overhead bins on the motorcoach. There may be room for it in the storage compartment under the coach or by an empty seat on board. If not, it will need to be placed on the floor in front of your feet. Portage of luggage is not provided. Participants will be responsible for carrying their own luggage throughout the tour. If you are physically unable to carry your luggage, ask your tour personnel to arrange for assistance.

Insecticide Disclosure. Some countries require that aircraft be treated with insecticides prior to flight or while occupied. For a list of the countries with insecticide requirements, go to http://airconsumer.dot.gov/spray.htm.

Optional travel protection. Witte recommends that you purchase a travel protection plan. For your convenience, Witte Travel offers a travel protection plan designed by Travelex Insurance Services. This travel protection can be purchased at any time prior to making the final payment for your tour. The pre-existing medical conditions exclusion will be waived if you purchase the protection plan within 14 days of the initial trip deposit, provided you are medically fit to travel at time of purchase. Tours over 30 days are not eligible for coverage. The plan cost for the travel protection plan that applies to your tour will be noted in your brochure and on the registration form. It may be necessary to increase the trip cost insured on the travel protection plan if you purchase additional services and/or upgrade any arrangements. This could increase the plan cost of the travel protection plan. The plan cost for this travel protection plan is non-refundable after a 10 day review period. The travel protection plan does not cover any travel arrangements not made by or purchased from Witte.

If your passport is due to expire earlier, you will need to obtain a new one. If you do not have a passport or need a new one, apply as soon as possible. If you plan to visit other countries on your own, contact Witte for any special requirements. All non-U.S. citizens should contact Witte for their special requirements. We will check the requirements for non-U.S. citizens at the time they register and again approximately 45 days prior to departure. Witte is not responsible for any changes in requirements for non-U.S. citizens that occur after our final check.

Minor children traveling internationally without both parents are encouraged to carry a notarized note signed by both parents stating that they have permission to travel without one or both of them. Although this is not a requirement, it will save time if questions arise while clearing customs.

Land-only participants. If you wish to make your own flight arrangements, contact Witte for the land-only cost at least 90 days prior to departure. Participants who make their own flight arrangements are strongly encouraged to coordinate their flight schedules with the group’s flight schedule and to use the same airports. The group’s airport transfers on the arrival and return days will be timed to the group’s flight schedule. Land-only participants may need to arrange for their own airport transfers. Contact Witte for information and costs on options for private transfers. Witte cannot be responsible for any inconveniences to land-only participants resulting from changes in the group’s flight schedule. Also, discuss your special needs with your tour personnel and ask the wait staff about the foods you are served.

Mobility Concerns. Sightseeing on Witte tours almost always includes walking. Visits to historical places often mean climbing stairs and walking on uneven surfaces or cobblestones. Handicap accessibility is not always available. Witte tour personnel are not able to provide attendant services. Tour participants with special needs are strongly encouraged to travel with someone who can assist them. Consult your physician if you have any concerns about your ability to participate.

Time away from the tour. Advise Witte in writing at least 45 days before departure if you plan to spend some time away from the tour. Wherever possible, you will be credited for missed hotel nights.

Final tour documents—including itinerary, hotel list, passenger list, flight schedules with departure instructions, and luggage tags—are sent about 10 days prior to departure. Flight tickets are usually made available at the airport at check-in time.
