SERVING WITH PEACE CORPS PHILIPPINES
In the Coastal Resource Management Sector

Friday, March 26, 2021 at 3:30PM on Zoom

SPEAKER: MS. KAITLYN ETIENNE
Regulatory Analyst (Stepan Company) and Environmental Studies graduate (Calvin College, 2016)

Kaitlyn Etienne describes community-based environmental projects she worked on as a US Peace Corps volunteer in the Philippines. Topics include a response to a Crown-of-Thorns sea star outbreak, a campaign to reduce the use of single-use plastics, an environmental camp with a focus on empowering young women, and social enterprise pilot programs for upcycled and plastic alternative products.
