Established in 2010, the Calvin Center for Innovation in Business (CCIB) engages students, faculty, and the broader business community to support and develop the Calvin College Business Department.

Our work raises the level of business education and scholarship at Calvin College to ensure students are well equipped for lives of service and leadership in business.

Foster Educational Excellence

The CCIB works to attract, retain, encourage, and grow Calvin business faculty and students by providing ongoing support of scholarship and engagement.

Calvin Women’s Network

This network of students and mentors received formal approval from Calvin this spring to become a Student Organization. Students are working to kick off the organization this fall.

Book Clubs

Students engaged each other and faculty members while reading two books this year.

Daring Greatly,
