Notes:

BIPOC is an acronym for 'black, indigenous, and people of color'. BIPOC subcategories (with 'n' counts greater than five) are detailed in the next block using IPEDS-defined race and ethnicity labels.

International (Non-resident of U.S.) is based on immigration status per IPEDS classification. This group comprises non-U.S. citizens/nationals that do not have permanent residency. Non-U.S. citizens with permanent resident status are counted in the race/ethnicity categories.

Student total counts changed from prior reports by a count of one for both FA18-19 and FA21-22 due to student record database changes.
