				TOTAL CREDITS PLANNED			136	
<p><b>*Spanish for Healthcare Professionals</b> is offered odd years during interim. Although Spanish minors will have enough credits without adding this elective, it would serve well for their professional preparation.</p> <p><b>**</b> This course would be optional for the minor.</p> <p><b>SPANISH MAJOR:</b> To complete a Spanish MAJOR instead of the minor, add the following: 1) take the "Spanish for Healthcare Professionals" interim (3 credits) during the junior or senior year; 2) take SPAN 370; 3) take SPAN 395.</p>
