ENTRADA PROGRAM
The Entrada Scholars Program at Calvin College is a summer academic achievement program for racial ethnic minority high school students who are completing their junior and senior years. During this 4-week program, students experience college-level academics and college life in a supportive yet challenging environment. Participants live in a college residence hall, take a regular summer-term class with current Calvin students, earn college credit, attend afternoon study skill sessions, and spend their evenings studying, making new friends, and attending hall events.

RESIDENT ASSISTANT POSITION
The Resident Assistant lives in the residence hall and is responsible for providing supervision to Entrada participants. The Resident Assistant strives to foster a Christian community that is conducive to and assists in the academic, social and spiritual development of Entrada students. He or she does this by: developing relationships with Entrada students; striving to be a role model and mentor; supporting the academic work of Entrada students; assisting in the development and implementation of activities intended for spiritual growth, identity formation and community life; and enforcing college rules and regulations.

SPECIFIC RESPONSIBILITIES
Resident Assistants must be on campus by July 8, 2019 for orientation and training.

Throughout the entire program, July 12 – August 8, 2019 Resident Assistants are on duty at all times. Resident Assistants are done with their commitment on Friday August 9, 2019.

Resident Assistants are involved in community life evening and weekend programming. Residents Assistants work together with the Resident Directors for Student Development to plan and implement spiritual and personal development. Resident Assistants play a vital part in daily programming as well as weekend activities. Each Resident Assistant is expected to attend all community life programming and encourage active student participation. Please note that if you are selected as RA, you will not be allowed to have visitors.

Resident Assistants work with the Assistant Director for Academic Development to help participants develop effective approaches to studying, time management and general study behaviors.

A Resident Assistant serves as a resource to participants, advising students on concerns that arise during the course of the program and consulting with the Resident Directors to evaluate students’ needs.

Note: Orientation/ Training for Entrada RAs will begin during July 8, 2019.
