Your parents must list their monthly expenses, their monthly amount of support, and their source of the support they received in the 2020 calendar year. While it may be difficult for them to determine some of these figures, it is necessary to provide us with the most accurate information.

**PLEASE NOTE:** If your parents' monthly expenses are more than the 2020 income listed on the Free Application for Federal Student Aid (FAFSA), they must provide an explanation in SECTION C — ADDITIONAL COMMENTS. In addition, if their income has increased in 2020, they must explain how and list their total anticipated income (taxable and nontaxable income) for 2020. Attach a separate sheet if necessary. This form will be considered incomplete and returned for completion if the explanation is missing or does not provide enough detail.
