				TOTAL CREDITS PLANNED			136		

* **Spanish for Healthcare Professionals** is offered every other year during interim. Although Spanish minors will have enough credits without adding this elective, it would serve well for their professional preparation.

** This course would be optional for the minor.

SPANISH MAJOR: To complete a Spanish MAJOR instead of the minor, add the following: 1) take the "Spanish for Healthcare Professionals" interim (3 credits) during the junior or senior year; 2) take SPAN 340; 3) take SPAN 395.
