Departure > Arrive Salt Lake City

Our adventure begins! We'll meet at the airport in Grand Rapids and check in for the flights to Utah. Upon arrival in Salt Lake City, we'll make a short stop at Saltair, a resort area located along the southern shore of the Great Salt Lake that provides a general geographic orientation to the region. This includes the Great Salt Lake, as well as its Pleistocene precursor, Lake Bonneville. We'll also stop at the Rio Tinto Kennecott Visitor Experience at Bingham Canyon Mine. Here we'll learn about the history of this copper mine and Ralph will provide a geologic narrative. Our day concludes in South Salt Lake, where we'll check in for a three-night stay and enjoy a welcome dinner. (D)

Salt Lake City

A local guide will join us for a guided walking tour of Salt Lake City, Utah's capital city that was founded in 1847 by Mormon pioneer settlers. We'll begin our tour at This Is The Place Heritage Park at Emigrant Canyon. We plan to visit the Fort Douglas Military Museum today, where we'll find exhibits about the long history of the fort. It was constructed by U.S. soldiers in 1862 and remained an active fort until 1991. The Natural History Museum of Utah is also on our agenda, with its vast collection of fossils, minerals, human origins and culture, and plant and animal life. The rest of the day will be free to explore the Temple Square area, with an opportunity to tour Salt Lake Tabernacle, and have an independent dinner. (B)

Saturday, September 16
Little Cottonwood Canyon > Salt Lake City

An excursion to Little Cottonwood Canyon awaits us today. Our first stop is the G. K. Gilbert Geologic View Park, where Ralph will provide a short introduction to the landforms and rocks of the canyon. We'll explore this beautiful area, take the Peruvian chair lift and scenic tram, and have a boxed/picnic lunch along the way. We also hope to continue up the canyon to Albion Basin. This is a colossal glacial cirque, with a complex of bedrock geology that provided a world-class mining district. The history of mining ties to the history of the Mormon settlement, the military occupation, and the history of railroads. Upon our return to Salt Lake City, the evening will be at leisure. (B, L)

Sunday, September 17
Salt Lake City > Provo

The morning will be free for an optional worship service. We'll then head to the unique Trolley Square shopping area, where we'll have time to look around and have an independent lunch at one of its diverse eateries. Those who wish will have the opportunity to share a meal and talk with Calvin alumni living in the area. We'll then head to scenic Provo Canyon and stop to see the lovely Bridal Veil Falls. Our day concludes in Provo, consistently voted among the best places to live in the country. We'll see the campus of Brigham Young University, which was founded in 1875 by Brigham Young and is sponsored by the Church of Jesus Christ of Latter-Day Saints. Relax over dinner at a restaurant this evening. (B, D)

Monday, September 18
Dinosaur National Monument > Dutch John

Departing Provo, we'll stop along the southern flank of the Uinta Mountains, where Ralph will give a brief overview. Our destination is the fascinating Dinosaur National Monument, where there are over 1,500 dinosaur fossils and many interesting petroglyphs from the early inhabitants of the area. We'll have time to explore, and we hope to have a ranger talk or visit a lab. There may even be an opportunity to hunt for fossil insects, leaves, or fish in the Green River Formation. Our day concludes in Dutch John at the Flaming Gorge Resort, where we'll check in at our hotel and have dinner. (B, D)

Tuesday, September 19
Flaming Gorge > Green River

We'll visit the nearby Flaming Gorge Dam Visitor's Center this morning. Here we'll learn about the dam that rises 502 feet above the Green River and was completed in 1964. A longer afternoon drive will take us to Green River, where we plan to visit the John Wesley Powell River History Museum to discover the history and geography of the area and its rivers. We'll also enjoy a talk by Ralph about the Green and Colorado River systems, the exploration trips of John Wesley Powell, and the U.S. Geological Survey. If time allows, we'll stop to see the Crystal Geyser. Tonight's dinner and overnight stay are in Green River, UT. (B, D)

Wednesday, September 20
Goblin Valley > Arches > Moab

Two amazing parks with astounding scenery are on today's itinerary—Goblin Valley State Park and Arches National Park! Ralph will talk about the geologic history of the Colorado Plateau today and answer questions about the Jurassic rock layers we will see, particularly the Entrada Sandstone. While at Arches, those who wish will have an opportunity to hike to Delicate Arch, but please note this three-mile loop trail is rigorous in some spots, typically takes 2-3 hours, and has an elevation gain of 480 feet. Those who prefer to see different arches that can be seen on shorter, easier hikes will have the opportunity to do that instead. Our day concludes in Moab, where we'll check in at the hotel for a two-night stay. An optional sunset photography session may be offered. (B)

Thursday, September 21
Canyonlands > Dead Horse > Moab

Our day begins at Canyonlands National Park, Utah's largest national park, where we will have an opportunity to hike and take pictures of the dramatic landscape. Ralph will be happy to answer questions about the Permian and Triassic layered rocks we'll see here. Then we will visit Dead Horse Point State Park, where the view from Dead Horse Point is one of the most photographed spots in the world. A paved trail provides access to some of the most scenic views. This evening, we'll be treated to a cowboy-style Dutch oven dinner and a unique sound and light show cruise to see the canyons illuminated—sure to be a memorable experience! (B, D)

Friday, September 22
Grand Junction

Departing Moab, we'll head to Grand Junction, Colorado. Upon arrival, we'll visit the Museum of the West to learn about a thousand years of history and development in the West. Then we'll visit Colorado National Monument; this national park is known for its striking rock formations and stunning views. The rocks in this area are spectacular former of cliffs, pinnacles, and hoodoos. There may be some free time to explore Grand Junction's downtown area, and we plan to have our farewell dinner at a winery this evening. (B, D)

Saturday, September 23
Return

We'll transfer to Grand Junction's airport this morning to check in for our flights back to Grand Rapids. Our time in Utah and Colorado has certainly been awe-inspiring! (B)

General Data Protection Policy. We collect personal data, including, but not limited to legal name, gender, date of birth, passport information, dietary needs, and mobility concerns for the purpose of making travel arrangements on your behalf. We share this information with suppliers as it relates to the operation of your trip/tour. By signing the registration form/agreeing to the terms in TRIP, you agree to sharing your personal data for the purpose of making travel agreements on your behalf.

The cost of your tour includes:

Air transportation from Grand Rapids, MI to Salt Lake City, UT and from Grand Junction, CO back to Grand Rapids, MI with any regularly scheduled air carrier, based on a nonrefundable/nonchangeable fare, which requires a minimum of 10 passengers traveling round trip together. The identity of the carrier, which may include the carrier's code-share partner, will be assigned and disclosed in your final documents. Tickets are issued 45 days prior to departure. All current airlines taxes, security fees and fuel surcharges are included. Note that these items cannot be guaranteed until tickets are issued.

Secure flight information. The requirement to collect date of birth, gender, and full name are federally mandated by the Transportation Security Administration's (TSA) Secure Flight Program. While disclosure of this information is voluntary, if it is not provided, participants may be denied boarding. TSA's privacy policy, as well as additional details, can be found at tsa.gov using the keywords Secure Flight. Witte takes all reasonable steps to safeguard the privacy of all information collected from its clients.

Frequent flyer points are not guaranteed in connection with group airfares. Some airlines may limit group airfare credits to 25% to 50% of the frequent flyer points that apply to individuals while others do not offer any credits for group airfares.

Hazardous Materials. Federal law forbids the carriage of hazardous materials aboard aircraft in your luggage or on your person. A violation can result in five years' imprisonment and penalties of \$250,000 or more (49 U.S.C. 5124). Hazardous materials include explosives, compressed gases, flammable liquids and solids, oxidizers, poisons, corrosives and radioactive materials. For more information, examples and special exceptions, visit: <http://www.tsa.gov/traveler-information/prohibited-items>.

Land transportation. A deluxe air-conditioned motorcoach is used for transfers, excursions, and travel between cities. Because motorcoach travel is restricted in many areas, sightseeing is often done on foot.

Accommodations in moderate first-class to standard first-class hotels based on two people sharing a room with private facilities. When hotels in these categories are not available, top-quality superior tourist-class properties are selected. **The supplement for single accommodations is \$940.** If you register alone but want a roommate, we will do our best to assign one. If a single room must be assigned to any member of the group for any reason, even if it is at the last minute or while on tour, we will need to charge the single supplement. Changes in rooming arrangements requested by the participant 45 or fewer days prior to departure may result in additional charges.

Meals. Breakfast daily and dinners as indicated in the itinerary. Some dinners include a basic beverage.

Tour Personnel. A Witte tour manager to accompany the group from arrival in Salt Lake City until departure from Grand Junction.

Sightseeing and admission fees in accordance with the itinerary.

Tip and taxes are included for all services, including the tip for the tour manager and motorcoach driver.

The tour cost does not include airline luggage fees if charged, portage of luggage, optional travel protection plan including luggage and trip cancellation coverage, optional excursions, independent meals, and any other items not mentioned as included.

Optional travel protection. Witte recommends that you purchase a travel protection plan. For your convenience, Witte Travel offers a travel protection plan designed by Traveler Insurance Services. This travel protection can be purchased at any time prior to making the final payment for your tour. **To be eligible for the waiver of pre-existing medical condition exclusion, the protection plan must be purchased within 15 days from the time you make your initial trip deposit, provided you are medically fit to travel at the time of purchase and full trip cost is insured. The pre-existing medical exclusion applies to you, your traveling companion, business partner and traveling or non-traveling family member. For all traveling companions to benefit from the pre-existing condition waiver, each must enroll in travel protection within 15 days of initial deposit and meet qualifications for the pre-existing condition waiver.** The plan cost for the travel protection plan that applies to your tour will be noted in your brochure and on the registration form. It may be necessary to increase the trip cost insured on the travel protection plan if you purchase additional services and/or upgrade any arrangements. This could increase the plan cost of the travel protection plan. This travel protection plan is refundable during the 15 day (30 day for IN residents) review period following the purchase of the plan; as long as you have not departed on your trip or filed a claim.

All non-U.S. citizens should contact Witte for their special requirements. Witte is not responsible for any changes in requirements for non-U.S. citizens that occur after our final check. All non-U.S. citizens should contact Witte for their special requirements. We will check the requirements for non-U.S. citizens at the time they register and again approximately 45 days prior to departure. Witte is not responsible for any changes in requirements for non-U.S. citizens that occur after our final check.

When travelling domestically or internationally, the U.S. Transportation Security Administration (TSA) and U.S. Department of Homeland Security (DHS) advise that everyone carry at least two forms of acceptable identification in order to board a flight found <http://www.tsa.gov/traveler-information/acceptable-ids>. Examples: DHS-designated enhanced driver's license, Real ID-compliant driver's license, U.S. Passport, a foreign government passport. The name, date of birth and gender that appears on the identification card must exactly match the same data listed on airline ticket(s) and booking records.

Minor children traveling internationally without both parents are strongly encouraged to carry a notarized note signed by both parents stating that they have permission to travel without one or both of them. It has become increasingly necessary to possess such a note, and will save time if questions arise departing from the U.S. or to exit a foreign country. In order to download a sample minor consent form go to: <https://www.us-passport-service-guide.com/minor-travel-consent-form.html>The sample form is a guide only. Parents who share custody of their children should carry copies of the legal custody documents. Important note: Parents are responsible to contact the embassy of the country or countries the minor child will be visiting to confirm all travel entry and exit requirements, which may include obtaining additional notarized documentation.

HEALTH DOCUMENTATION REQUIREMENTS. You are responsible to make absolutely certain to have the proper immunizations and required documentation of such immunizations before travel. Witte shall not assume responsibility for the accuracy of health requirements or vaccination documentation prior to departure or upon landing at the final destination. See your health practitioner for advice. If you are concerned about taking any medications or receiving certain inoculations, and adequate timing of such inoculations relative to your travel booking, consult your health practitioner BEFORE booking. Check the U.S. State Department websites <http://travel.state.gov> for relevant information relating to travel to specific destinations, the USA Centers for Disease Control <http://wwwnc.cdc.gov/travel/destinations/list/> and the World Health Organization <http://www.who.int/en/> relating to health issues.

You may also carry a purse, a camera and one piece of hand luggage with a maximum size of 45 linear inches and weight of 15 lbs. These size and weight restrictions conform to most airlines' requirements. Hand luggage does not fit in the overhead bins on the motorcoach. There may be room for it in the storage compartment under the coach or by an empty seat on board. If not, it will need to be placed on the floor in front of your feet.

Tour cost. The tour cost is based on a group of 25 passengers and current tariffs for air and land arrangements.

Please note that these travel arrangements are subject to possible price increases due to additional charges imposed by a supplier or government. You may be charged additional sums by Witte to offset increased fees, fuel surcharges, taxes, fluctuations in foreign exchange markets, and/or changes in group size. Before passing on an increase, Witte will use its best efforts to minimize the amount. If it is necessary to increase the tour cost, participants will be advised at final billing and provided with a summary of the contributing factors.
