

SECTION B — INCOME INFORMATION

TAX FILERS:

- If you filed a 2021 tax return but did not utilize the IRS Data Retrieval process when you submitted your FAFSA you have two options to submit your 2021 income information to Calvin:
 - Go to fafsa.gov and complete the IRS Data Retrieval process, or
 - Submit a signed copy of your 2021 federal tax return including schedules 1, 2 and 3 as applicable.
Please completely cross out all social security numbers when submitting a tax return. If you are married and did not file jointly for the requested year, please submit your spouse's 2021 federal tax return and schedules 1, 2 and 3 as well.

NON-TAX FILERS:

- If you were not required to file a tax return, you must request a 2021 Non-filer Letter from the IRS by submitting IRS Form 4506-T (irs.gov/pub/irs-pdf/f4506t.pdf). Follow the instructions on the form. If you know your Calvin student ID please list it as your Customer File Number in question #5. Check the box in question #7 for verification of non-filing. Use 12/31/2021 to answer question #9.
- Additionally, you (and spouse if applicable) must submit copies of W-2 forms from all employers. If you did not receive W-2 forms you must indicate 2021 total wages in the space below. **Completely cross out all social security numbers on all W-2 forms.**
