KNOLLCREST MUSIC CAMP
COMMUNITY PLEDGE

Being a part of Knollcrest Music Camp means that each of us should take steps to stay well and protect each other. I will take responsibility for my own health and help keep the KMC community safe by stopping the spread of COVID-19 and other infections.

I pledge to:

- daily monitor for the symptoms of COVID-19 and report to a medical professional if I experience any of them
- wash my hands often with soap and water and/or use hand sanitizer
- help keep shared common spaces clean
- maintain appropriate physical distancing, as instructed by KMC staff
- stay home if I feel ill, or if I’ve been exposed to someone who has tested positive for COVID-19
- observe and uphold all KMC COVID-19 guidelines
- be respectful, sensitive, and helpful to those around me
