Psalms Study | Week 2 - Praying Our Inattention

This week's study: Psalm 1

Additional Questions

Questions for the Text:

- Why does the author use the word “delight” in verse two?
- How are we to understand the phrase “whatever they do prospers” in verse three? Does this mean that Christians will always get their way?

Questions for Our Lives:

- How do we love and share Christ with the scoffers and mockers in our lives, without becoming too influenced by them?
- What ways does our culture make it hard to cultivate a meditative mindset?

Now or Later

Peterson suggests using Psalm 119 in prayer and devotion this week, to help form a meditative mindset. Consider meditating on the following passages during quiet time, or throughout the day during the upcoming week:

- Day 1 – Verse 1-24
- Day 2 – Verse 25-48
- Day 3 – Verse 49-80
- Day 4 – Verse 81-104
- Day 5 – Verse 105-128
- Day 6 – Verse 129-152
- Day 7 – Verse 153-176
