Public Safety Advisory:

Larceny of Catalytic Converters from Motor Vehicles: November 6, 2017

Incident Information:

On or about October 30, at least three vehicles belonging to Calvin students had the Catalytic Converters cut off their exhaust systems. Two of the vehicles were parked in parking lot #19. One vehicle was parked off campus in the 3800 block of Whispering Way Drive (Burton’s Landing Apartments). In each of the cases, the suspect(s) chose to take the Catalytic Converters from older model Honda Accords. The police report Catalytic Converters from Hondas have been more valuable as scrap. The incidents were reported to both the Grand Rapids Police Department and the Campus Safety Department.

Suspect Information:

Currently there is no suspect vehicle or person information related to these incidents.

Recommendations:

When possible, park in a well-lit area. If you see any suspicious persons or activity on campus, especially around the Knollcrest East and Seminary Apartment parking lots, contact Campus Safety at 526-6452 for a non-emergency or 526-3333 if it is an emergency. If you observed any suspicious activity off campus, call the Grand Rapids Police at 456-3400 for a non-emergency or 911 for an emergency. If you wish to report suspicious activity and want to remain anonymous, you can contact Silent Observer at 616-774-2345 or by e-mail at http://www.silentobserver.org.
