EMPLOYER TESTIMONIALS

“We have hired several Calvin graduates to join our firm and couldn’t be happier with the abilities of these individuals. With the Calvin [University] experience, we are assured they have a diverse and deep education, a solid work ethic, an inquisitive mind and a passion to be of service. That’s just what we and our clients need, and Calvin delivers.”

(Max B. Van Wyk, Chief Executive Officer, Van Wyk Risk Solutions)

“GMB has a long history of investing in Calvin students. I continue to be impressed at how Calvin interns and entry-level hires are well prepared to grow into team leadership positions in our company.”

(David Bolt, President, GMB Architecture + Design)

PROJECT OPPORTUNITIES

Calvin Action Projects (CAP)

Do you have a real-world challenge or opportunity that could use a fresh set of eyes? Consider engaging a team of highly motivated business students on a CAP project. Under the direction of experienced faculty, students will work to identify solutions and opportunities for your business in one of many courses featuring project-based learning. Contact the Calvin Center for Innovation in Business to connect with a student team: calvin.edu/innovation/action

Engineering Senior Design Projects

Senior engineering student teams dedicate a school year to solving a significant engineering challenge in their capstone class. If your company has a project idea, contact engineering@calvin.edu or visit calvin.edu/academics/departments-programs/engineering.
