EMPLOYER TESTIMONIALS

“We have hired several Calvin graduates to join our firm and couldn’t be happier with the abilities of these individuals. With the Calvin College experience, we are assured they have a diverse and deep education, a solid work ethic, an inquisitive mind and a passion to be of service. That’s just what we and our clients need, and Calvin delivers.”

Max B. Van Wyk, chief executive officer, Van Wyk Risk Solutions

“Working with the career development team at Calvin is always a delight. They are consistently helpful in understanding how we can attract the best candidates, posting our opportunities promptly, and directing really smart and spirited young people our way. Calvin student employees and interns have proven themselves to be top notch, caring very much about what they do and, equally, how they do it.”

Amelea Pegman, managing director, ArtPrize
