Incident Description:

There have been six reported incidents of larceny of personal property from the men’s pool locker room in the Venema Aquatic Center since July 30, 2013. In all instances victims reported that an unknown subject entered their unlocked locker and removed money from their wallets. No other items were stolen and the wallets were always returned to the lockers. There were no known witnesses to any of the larcenies.

Suspect Information:

No suspect information is currently available.

Recommendation:

Anyone who uses the Venema Aquatic Center men’s pool locker room is urged to use a lock to secure their locker. Do not leave valuables in a locker if you do not have a lock and cannot lock the locker. Treat the locker room like it is unlocked and open to the general public and secure all valuables accordingly. Additionally, do not allow other people to tailgate into the locker room. All people who should have access to any locker room will have an identification card that they should use to gain access. Anyone who observes any suspicious activity in any of the locker rooms is asked to contact the Campus Safety Department immediately at 616-526-6452 for non-emergency calls or 616-526-3333 for an emergency.
