Handshake is Calvin College's online recruitment system. Here, students have access to on campus and off campus job postings from around the globe, job fairs, employer info sessions, career center appointments, and more. Handshake is used by more than 175 colleges.

Every on campus department can post positions on Handshak. To start the process, please follow these steps. You will need to create an account and join the Calvin College employer account.

Creating An Account in Handshake

1) Go to https://calvin.joinhandshake.com/register. Select "Employer " and fill out the form using your Calvin email account. You will be sent a confirmation email (if you do not see it, check your spam folder).

2) Click the link in the email, then log in at calvin.joinhandshake.com. You will be asked to join your company or create a new company. Please join the company Calvin College. You will be shown a confirmation that your account is now awaiting verification.

Once you are granted approval, you will be able to use the system and post jobs. Your next step would be to develop a job description and post the position.
