Graduate Report

Calvin College Career Development

**Data collected for a 12 month period
beginning February 2011 and ending February 2012**

Compiled by Beth Cok, Manager of Experiential Education

Lydia Hogewoning, Career Student Supervisor

Jennifer Cuffman, Career Student Assistant

Methodology

This report includes Calvin College graduates from December 2010 through August 2011. The statistics in this report are based on survey information received through multiple sources. Students were offered an incentive gift card of \$15 to the campus store for the following reporting methods.

- February 2011: Senior graduation planning event survey
- Spring 2011 – Fall 2011: online report form
- May 2011: Alumni survey as students picked up their graduation gown

Department chairs and faculty were asked to assist in gathering information related to graduates who had not reported their activity. In September through February 2012, the Career Development Office followed up with graduates using Calvin's alumni on-line network, LinkedIn, Facebook and e-mail.

Internship information was obtained from the graduate surveys and Career Development's college wide internship database.
