CONFLICT OF INTEREST POLICY AND CODE OF CONDUCT
FOR FINANCIAL AID PROFESSIONALS

The Higher Education Opportunity Act of 2008 (HEOA) requires institutions of higher education to establish and follow a Code of Conduct with respect to student loans that prohibits conflicts of interest for any financial aid professional [HEOA § 487(a)(25)]. Calvin College is an eligible institution under the Federal Insured Student Loan Program.

In accordance with this requirement, the Financial Aid Office at Calvin College has issued the following conflict of interest policy and code of conduct.

I. Purpose
The purpose of this policy is to prohibit conflicts of interest in situations involving student financial aid and to establish standards of conduct for employees with responsibility for student financial aid.

II. Applicability
This Policy applies to all employees who work in the Financial Aid Office and all other college employees who have responsibilities related to educational loans or other forms of student financial aid. Agents of the College with responsibility for educational loans or other student financial aid are expected to abide by the terms of this Policy.

III. Definitions

A. Conflict of Interest: A conflict of interest exists when an employee’s financial interests or other opportunities for personal benefit may compromise, or reasonably appear to compromise, the independence of judgment with which the employee performs his/her responsibilities at the College.

B. Gift: Any gratuity, favor, discount, entertainment, hospitality, loan, or other item having a monetary value of more than a *de minimus* amount. The term includes a gift of services, transportation, lodging, or meals, whether provided in kind, by purchase of a ticket, payment in advance, or reimbursement after the expense has occurred. The term “gift” does not include any of the following:

1. Standard materials, activities, or programs on issues related to a loan, default aversion, default prevention, or financial literacy, such as a brochure, a workshop, or training.

2. Training or informational material furnished to the College as an integral part of a training session designed to improve the service of a lender, guarantor, or servicer of
educational loans to the College, if such training contributes to the professional
development of the College’s employees.
3. Favorable terms, conditions, and borrower benefits on an education loan provided to a
student employed by the College or an employee who is the parent of a student if such
terms, conditions, or benefits are comparable to those provided to all students of the
College and are not provided because of the student’s or parent’s employment with the
College.

4. Entrance and exit counseling services provided to borrowers to meet the College’s
responsibilities for entrance and exit counseling under federal law, so long as the
College’s employees are in control of the counseling, and such counseling does not
promote the products or services of any specific lender.

5. Philanthropic contributions to an institution from a lender, servicer, or guarantor of
education loans that are unrelated to education loans or any contribution from any lender,
guarantor, or servicer that is not made in exchange for any advantage related to education
loans.

6. State education grants, scholarships, or financial aid funds administered by or on
behalf of a State.

C. Opportunity pool loan: A private education loan made by a lender to a student attending the
College or the family member of such a student that involves a payment, directly or indirectly, by
the College of points, premiums, additional interest, or financial support to such lender for the
purpose of such lender extending credit to the student or the family.

D. Revenue-sharing arrangement: An arrangement between the College and a lender under
which (a) a lender provides or issues a loan to students attending the College or to their families;
and (b) the College recommends the lender or the loan products of the lender and in exchange, the
lender pays a fee or provides other materials benefits, including revenue or profit sharing, to the
College or its employees.

IV. Institutional Policy Regarding Education Loans and Student Financial Aid
A. Revenue-Sharing Arrangements: The College or any agent of the college will not enter into
any revenue-sharing arrangement with any lender.

B. Interaction with Borrowers: Under no circumstances will the College assign a student’s
private student loan to a particular lender, or refuse to certify or delay certification of any private
loan, based upon the borrower’s selection of lender or guaranty agency.

C. Private Loans: The College will not request or accept from any lender any offer of funds to
be used for private education loans, including funds for an opportunity pool loan, to students in
exchange for the College providing concessions or promises regarding providing the lender with
(i) a specified number of federal loans; (ii) a specified federal loan volume; or (iii) a preferred
lender arrangement for federal loans.

D. Co-Branding: The College will not permit a private educational lender to use the College’s
name, emblem, mascot, logo, or any other words, pictures, or symbols associated with the
College to imply endorsement of private educational loans by that lender.
E. Staffing Assistance: The College will not request or accept from any lender any assistance with call center staffing or Financial Aid Office staffing. Nothing in this section, however, prevents the College from accepting assistance from a lender related to:

(i) professional development training for its staff;
(ii) providing educational counseling materials, financial literacy materials, or debt management materials to borrowers, provided that such materials disclose to borrowers the identification of any lender that assisted in preparing or providing such materials;
(iii) staffing services on a short-term, nonrecurring basis to assist the College with financial aid-related functions during emergencies, including State-declared or federally-declared natural disasters, or other localized disasters and emergencies identified by the Secretary of Education.

V. Code of Conduct
A. Conflicts of Interest: No employee shall have a conflict of interest with respect to any education loan or other student financial aid for which the employee has responsibility. No employee may process any transaction related to his/her own personal financial aid eligibility or that of a relative.

B. Gifts: No employee may accept any gift from a lender, guarantor, or servicer of education loans. A gift to a family member of an employee or to any other individual based on that individual’s relationship with the employee shall be considered a gift to the employee if the gift is given with the knowledge and acquiescence of the employee and the employee has reason to believe the gift was given because of the employee’s position at the College.

Token awards from professional associations (state, regional, or national) that recognize professional milestones or extraordinary service to parents and students, or scholarships for conference attendance or other professional development opportunities, may be accepted.

C. Prohibited Contracting Arrangements: No employee shall accept from any lender or affiliate of any lender any fee, payment, or other financial benefit (including the opportunity to purchase stock) as compensation for any type of consulting arrangement or other contract to provide services to a lender or on behalf of a lender relating to education loans.

D. Advisory Board Compensation: No employee who serves on an advisory board, commission, or group established by a lender, guarantor, or group of lenders or guarantors may receive anything of value from the lender, guarantor, or group of lenders or guarantors in return for that service.

E. Reimbursement of Expenses: Expenses incurred while attending professional association meetings, conferences, or in connection with service on an advisory board, commission, or group described in Section V(D.) of this Policy must be paid by the College. Entertainment expenses such as concert or sports tickets or greens fees may not be accepted. Employees are expected to personally pay for such expenses or request reimbursement from the College in accordance with College policy.

F. Meals: Employees may occasionally need to share meals with employees of lenders, guaranty agencies, the State of Michigan, or other colleges or universities in the course of business. Meals offered as a part of meetings, conferences, or other events are acceptable if all participants in the meeting or event receive the same opportunity for the meals or if the meals are included as a part of a registration fee.
VI. Policy Violations
Violations of this Policy may result in disciplinary action, up to and including dismissal.

VII. History
This Policy has been developed based on the Statement of Ethical Principles and Code of Conduct adopted by the National Association of Student Financial Aid Administrators (NASFAA).
