Multicultural Activities Coordinator (MAC)

Position Description

**Multicultural Activities Coordinators** serve as a voice of cultural awareness within the residence hall communities. MACs try to foster conversation and understanding between culturally diverse students within the dorms. MACs exist to bridge the gap between the dorms and Intercultural Student Development events. MACs will also identify and build relationships with students who feel disconnected.

Events hosted by MACs include:

- International Treasure
- Social events, Meet and greets
- Other Residence Hall-based events

MACs should be people who respect the history and enjoy the cultures of God’s Kingdom and would like to take responsibility for fostering appreciation for multiculturalism in their residence halls and around campus.

On average, the MAC position requires a 2-3 hour commitment each week which includes planning and setting up events, weekly meetings with the MAC team, and bi-weekly meetings with the CLC. MACs will report to the Intercultural Student Development Office and to the Resident Director who leads the CLC meetings.

MACs are part of the *Community Life Council* (CLC), which is facilitated by the RD and includes RAs, Barnabas, Cultural Discerners (CDs), Multicultural Activities Coordinators (MACs), Community Partnership Coordinators (CPCs), Sustainability Coordinators (SCs) and the Residence Hall Executive Team (RHET). The CLC meets every other Monday evening, to coordinate programming and discuss community issues. The CLC team plans weekly programs in the hall. In addition to weekly programs, the CLC is involved in planning/coordinating:

- September/October - Hall Retreat
- October - Collaborative programming with Unlearn Week (anti-racism)
- January - Collaborative programming on Kill-a-Watt (sustainability issues)
