

Summary of Research
at the Ecosystem/Flat Iron Lake Preserves

NOTE TO MAC USERS: You must complete this summary using Adobe Reader, not Preview. You may download Reader FREE at www.adobe.com/support/downloads/detail.jsp?ftpID=5561. Hover at the bottom of your screen, & click on the arrow/computer icon to 'save the PDF to a download folder'. Then right click on file to 'open with Adobe Reader', & complete the application.
If you prefer, you may print the summary and complete it on paper.

Completed research must be submitted to the Preserve Director. Return this form, along with the following items, to jrs39@calvin.edu, or Jamie Skillen's mailbox in the Geology, Geography & Environmental Studies office:

- Raw data in Excel (each spreadsheet must be labeled with project title, location of research, research dates, and researchers' names)
- Final reports or publications in Word/PowerPoint
- Other items including photos, interview transcripts, maps, drawings, etc.

Today's Date _____

Researchers involved in this project:

Lead Investigator's Name _____	Calvin ID _____
Name _____	Calvin ID _____
