

SCHOLARSHIP PROGRAM

for Named Scholarship donors
and their student recipients

Thursday, October 22, 2020

New Scholarships for 2020-21

Descriptions graciously provided by the scholarship donors

Bass Family Scholarship

Andy Bass and Catherine Ristola Bass create this scholarship in memory of their parents, Jake and Joan Bass, and Ruth Ristola, all who valued a strong college education. Andy, Catherine, and their daughters, Sarah, and Emily are all beneficiaries of a valued Calvin experience. Together they wish to support students who are committed to honoring God's kingdom through experiencing other cultures throughout the world.

Ron and Mary Jane Baylor Family Scholarship

Ron '77 and Mary Jane '78 Baylor are strong supporters of Christian education and Calvin University. They establish this scholarship to provide prospective students with the life-changing opportunity to attend Calvin University, just as their family experienced.

Sibilla De Hoog Boerigter Education Scholarship

George and Sibilla Boerigter provide this scholarship for education majors. Sibilla graduated from Calvin in 1957 with a degree in secondary education. She had a major in English and a minor in Physical Education. These degrees were her two passions and she not only taught in both fields of interest, but good writing, good reading and physical exercise and activity have been central to her enjoyment of life. This award will support and encourage a Calvin student who is pursuing a career as an education teacher. George and Sibilla believe teachers can make a difference in our society and good teachers do make a difference in people's lives.

Susan Dykstra Memorial Scholarship

Tom and Lois Dykstra establish this scholarship in memory of their daughter Susan Beth (1961-2019). Sue '83, who graduated with an English major from Calvin loved to read and had a career in the production and marketing of scholarly books, particularly in the field of medieval literature. This scholarship is intended for an English major with a love for good books.

Reverend and Mrs. John R. Gunn Memorial Scholarship

Reverend John R. Gunn was a Baptist minister as well as an author and newspaper columnist. He served churches in Georgia, New York, Tennessee, and Indiana. After his death in 1956, his career continued by way of a newspaper column entitled *A Short Sermon for Today*, which developed into a radio ministry called *Be Still and Know*, and finally into an internet ministry called *Day 1*. James R. Gunn establishes this scholarship to honor his grandfather and his legacy of service in ministry by offering this award for Calvin students pursuing a career in ministry.

Holquist Paauwe Family Scholarship

The Holquist and Paauwe families offer this scholarship because they want to help a student who works hard to achieve average grades. From their own experience they know that there are many scholarship opportunities for those who excel academically, but not many for those whose grades may not reflect the effort they have made. This scholarship will support hard-working students who are committed to college success and earning a degree.

Mark and Kristine Huizenga Engineering Scholarship

Mark and Kristine Huizenga create this scholarship to honor their daughter Elaina who found tremendous value in her studies of civil engineering at Calvin. They believe in supporting students who study the sciences and want to especially support female students pursuing a career in engineering.

Richard and Fredith Klamer International Student Scholarship

Richard and Fredith (Fritz) Klamer establish this scholarship in gratitude to God for His faithfulness and blessings. Richard '57 and Fredith have a deep appreciation for Christian education and a shared passion and desire to support international students who would like to attend Calvin but may not have the financial resources to do so. Their hope is that this scholarship will equip more young men and women to live out Calvin's mission to be Christ's agents of renewal in the world.

Kloostra Family Scholarship for the Speech Pathology and Audiology Graduate Program

This scholarship is provided by Evelyn and Randy Kloostra out of her love for the Speech Pathology and Audiology Program. Evelyn's history of working alongside faculty and staff in the early years of the SPAUD Graduate Program and Clinic has formed a deep commitment to support students in their Christ-centered education and training. The Kloosters want to encourage students in the Graduate Program as they are preparing to pursue their career in Speech Pathology and Audiology.

Kragt Family Scholarship

Les and Nancy Kragt establish this scholarship out of gratitude for the impact that Calvin University has had in the lives of their children and grandchildren. Les and Nancy wish to share the blessings that God has given them with other prospective students who desire the opportunity for a Christian education at Calvin University.

David and Angela Muilenberg Family Scholarship

This scholarship honors David and Angela Muilenberg's love for each other and for the financial planning industry where they met. Although graduating from Calvin in 1982, it was in his freshman year that David started his successful career in the financial industry. David needed an income to pay for his tuition at Calvin and found a way to do so by selling life insurance and investments. This helped pay his college expenses and work on his own time, while securing the lives of others. David and Angela want to encourage individuals to pursue a career in financial planning to help businesses, families and individuals obtain financial security and make their retirement dreams come true.

Catherine Reinink and Henry Bengelink Scholarship

This scholarship is offered by Mr. Harv and Mrs. Gail Reinink of Grand Rapids, Michigan, in honor of Harv's mother Catherine Reinink, and Professor Henry Bengelink. Catherine's formal education ended in the fourth grade due to a tragic house fire that killed her mother. Being the oldest child in her household, Catherine was called upon to stay home and help raise the family at the tender age of 10. Henry Bengelink was a professor of biology at Calvin for more than thirty years. He is fondly remembered for his knowledge and creative teaching techniques that inspired students like Harv, who went on to teach elementary school for over 35 years.

U-Knighted Scholarship

This scholarship is provided by Jon '87 and Julie'85 Voskuil out of gratitude for the impact Calvin University has had in the lives of their family. Julie has been a long-time faculty member in Calvin's accounting department and Jon has enjoyed a career in sales and marketing after earning a business degree at Calvin and an MBA from Michigan State University. Their sons Jon '15 and Thomas '17 both graduated from Calvin with a degree in accounting and their daughter Abby is currently a Calvin student. The Voskuils provide this scholarship because of their deep commitment to quality Christian education that will prepare professionals for their work in God's kingdom.

Van Baak Scholarship in Experimental Physics

Calvin physics professor David Van Baak retired in 2014 after many years as an extremely influential teacher and national leader in undergraduate physics (laboratory) education. The Physics department, in partnership with Van Baak's longtime collaborator – TeachSpin, Inc. honors his legacy by supporting a student who demonstrates exceptional skill and engagement in experimental physics.

Steve and Pam VanderLeest Computer Engineering Scholarship

In gratitude to God for the blessing of a Christian school community and the blessing of a fruitful professional career, Steve and Pam VanderLeest wish to support students intending to pursue careers in the field of computer and software engineering. Christian professionals in these areas are important witnesses to the gospel and can be shining examples of a holistic life of faith, even in technical disciplines.

Daniel VanderSpek Memorial Scholarship

With this award, generous family and friends honor Danny's memory at Calvin, a place he cherished. Danny was proud to grow up in a loving Dutch home with his parents and two sisters on the family farm in Ontario, Canada. He was an avid Toronto Maple Leafs fan, collector of comic books, very competitive board game player, and had a sophisticated sense of humor. He started at Calvin in 2006 and loved living in Beets-Veenstra where many lifelong friendships began and where he met his wife, Corrine. During college, he could be found in various dorm rooms fixing computers, or in his own room with his headphones on listening to music or sledding down snow-covered hills on a mattress with the other guys on 3rd Beets. He gave the best hugs and had one of the most memorable laughs. Danny graduated in 2010 with a BS in engineering with a concentration in electrical and computer engineering. Calvin University and the people he met here played an important role in shaping Danny as a Christian adult. Calvin was important to him. Danny and Corrine made their home in Grand Rapids and he worked as an electrical engineer. In 2014, just a few months after their daughter was born, Danny unexpectedly passed away from complications related to a short battle with testicular cancer. He loved being a father to their precious daughter, who carries on his legacy in such a special way. This scholarship will benefit Canadian students who plan to study engineering and help them pursue their dreams, make life-long friends, graduate with a well-rounded, faith-filled education, and be a part of Danny's legacy in this important place.

Jack Veenstra Lynden Area Scholarship

Maurice and Nell Veenstra establish this scholarship in memory of their son, Jack Veenstra. Jack was both a Calvin graduate and a dedicated supporter of Calvin. He lost his life to leukemia (AML) in 2015, after a short illness. Maurice, Nell, and their children, Julie, Jack, and Linda have all graduated from Calvin. They have also had two grandchildren graduate from Calvin, and currently have two other grandchildren studying at Calvin University. God has blessed them as a family, and it is their desire to encourage students from the Lynden area to attend Calvin University.

Calvin and Pauline Verbrugge Family Scholarship

Pauline Verbrugge creates this scholarship to honor the memory of her late husband, Dr. Calvin J. Verbrugge '59 and their daughters, Helen '87 and Susan '88. After graduating from Calvin College, Dr. Verbrugge received his PhD in chemistry at Purdue University, after which he worked as a research chemist in the polymer division of S.C. Johnson & Sons for 35 years. This scholarship recognizes Dr. Verbrugge's passion for science and the critical role his Calvin professors played in inspiring his love of research. During his career, 17 U.S. patents were awarded to Dr. Verbrugge. This scholarship will support chemistry and biochemistry majors who have an interest in pursuing a career in research.

Theodore C. Wagenaar Sociology Scholarship

Dr. Theodore C. Wagenaar '70 was greatly influenced by his professors while at Calvin. His life-time study of sociology and anthropology as a Professor at Miami University in Ohio leads him to encourage and assist Calvin students in pursuing the field of sociology, social work, or education.

James and Mary Wieland Family Scholarship

James '71 and Mary Wieland '71, dedicate this scholarship to their parents who saw the value in Christian education and to Calvin, where they received their Christian education. Three generations of their family have chosen Calvin as their alma mater, beginning with Mary's father, Roy Bielema. Jim and Mary are pleased that their three daughters, Jodi, Stacey, and Lindsay chose to attend and graduate from Calvin. James is a member of the Centennial Dental Class at the University of Michigan. After receiving his D.D.S. degree, James established a private practice in family dentistry for 41 years on the south-east side of Grand Rapids. Dr. Wieland also served on the State of Michigan Board of Dentistry for eight years. Mary pursued an education in social work and served the residents of Holland Home in Grand Rapids for 25 years as a Volunteer Coordinator. The Wielands believe that not only is a solid Christian education important, but it is also essential that young men and women are active in their church, committed to volunteering, and have a caring attitude to bring to their occupation. This scholarship will support students who reflect these qualities and are pursuing a career in either Dentistry or Social Work.

Martha Wildeboer Memorial Scholarship

Chris and Lynnelle Brinks create this scholarship to honor their friend Martha Wildeboer, who passed away in 2019. Martha, along with her parents and her sister Gladys, immigrated to the United States from the Netherlands in 1952. The family settled in Grand Rapids, Michigan and attended Seymour Christian Reformed Church, where they were lifelong members. While Martha never married or had children, she was a dedicated supporter of Christian education. This scholarship is established using funds from Martha's estate to continue to honor her commitment to making Christian education affordable.

Young Women in Business Scholarship

This scholarship was provided by Alice Klamer who is thankful for the ways Calvin prepared her for success in her careers. She wishes to encourage and inspire the next generation of female entrepreneurs through this award for upper-class students pursuing a degree in business

New scholarships for 2020-21 are noted with an asterisk.
