In order to ensure our standards for quality and food safety, foods not immediately consumed by guests are unable to be released and taken out of the service area. We thank you for your cooperation and understanding.
Welcome to the Calvin College Dining Services Catering Guide. Food is an important part of any event, and it is our mission to deliver excellent food products and services. We look forward to assisting you in planning your next catered event.

This guide is designed to help you take the guess work out of planning. If you are unable to find a menu that fits your needs, our catering staff are always available and happy to assist you in customizing your event.

All events must be ordered and finalized 2 weeks prior to the planned date. We understand that last minute meals and meetings do come up and if we are able to accommodate your group without compromising our other clients we will be happy to work with you. An additional late fee may be applied.

Many of our menus do require service minimums, however we are happy to accommodate a group of any size. If your group does not meet the required minimum, a service charge may be applied to your event.

Event prices include linens for buffet tables and disposable tableware. If you would like additional linens or china, we are happy to provide them. Please enquire for pricing.

In order to ensure our standards for quality and food safety, foods not immediately consumed by guests are unable to be released and taken out of the service area. We thank you for your cooperation and understanding.
