

SPRING 2018 TEST SCHEDULE

Below is the test schedule for spring 2018. There are two class categories: Monday/Wednesday/Friday (MWF) and Tuesday/Thursday (TTh). The fact that most TTh classes meet for 75 minutes has been taken into account.

A few classes, other than the 75-minute TTh blocks, meet two days a week; many classes meet four days a week with various options for the four days. Instructors for these courses should use the test time which overlaps the class time, staying as close as possible to the schedule (e.g., MTThF classes at 8:00 a.m. would follow the schedule for the TTh 8:35 a.m. test time on Tuesday, instead of the MWF schedule for a test on Wednesday; TTh classes from 11:30 a.m.-12:30 p.m. would follow the TTh 12:05 p.m. test time).

Tests in evening classes are to be scheduled by the instructor.

One of the advantages of this schedule is that students are unlikely to have two tests on the same day.

Spring 2018 Final Examination Schedule

The final examination schedule for each term is posted before registration begins to ensure that students have adequate time to plan their academic schedule and calendar accordingly. The schedule is designed to avoid overlapping examination time conflicts; however, students should expect to write up to two examinations per day. *(See below regarding classes that meet four days per week and common exam times for some classes.)*

Special exam times

Four-day classes: Examinations for subjects which have meetings in both the Monday/Wednesday/Friday (MWF) and Tuesday/Thursday (TT) sequences should be scheduled according to the sequence in which they have the greater number of times. If a class meets an equal number of times in each sequence, the examination should be scheduled according to the sequence which shows an earlier date or time in the examination schedule. (i.e., for MTWF or MWTHF courses, refer to the MWF examination time. For MTWTH or MTThF courses, find both the MWF exam time and the TTh exam time—the exam is scheduled for whichever date/time is earlier.)

Common exam times:

- All sections of **Business 203 and 204** have a common exam on Tuesday, May 15 at 6:30 p.m.
- All sections of **Mathematics 171 and 172** have a common exam on Tuesday, May 15 at 6:30 p.m.
