

SPRING 2017 TEST SCHEDULE

TO: The faculty
FROM: Stan Haan and Elizabeth Vander Lei, academic deans
DATE: 2 January 2017

Here is the test schedule that you are requested to follow for spring 2017. One of the primary advantages of this schedule is that students are unlikely to have two tests on the same day.

There are two class categories: Monday/Wednesday/Friday (MWF) and Tuesday/Thursday (TTh). The fact that most Tuesday/Thursday (TTh) classes meet for 75 minutes has been taken into account. Many classes meet four days a week with various options for the four days. Instructors for these courses may use whatever option best corresponds to the class schedule (e.g., MTThF classes at 8:00 a.m. would follow the schedule for the TTh 8:35 a.m. test time on Tuesday, instead of the MWF schedule for a test on Wednesday).

Tests in evening classes are to be scheduled by the instructor.

Related to testing is the matter of grading. Please remember to advise students of your grading policies for tests and for the entire course (this is typically communicated by means of the course syllabus at the beginning of the semester).

Four-day classes: Examinations for subjects which have meetings in both the Monday/Wednesday/Friday (MWF) and Tuesday/Thursday (TT) sequences should be scheduled according to the sequence in which they have the greater number of times. If a class meets an equal number of times in each sequence, the examination should be scheduled according to the sequence which shows an earlier date or time in the examination schedule. (i.e., for MTWF or MWTFF courses, refer to the MWF examination time. For MTWTH or MTTFF courses, find both the MWF exam time and the TT exam time—the exam is scheduled for whichever date/time is earlier.)

Common exam times: All sections of Accounting 203 and 204 have a common exam on Tuesday, May 16 at 6:30 p.m.; all sections of Mathematics 171, 172, and 271 have a common exam on Tuesday, May 16 at 6:30 p.m. with the exception of the Mathematics 271 AP section.
