

Student Conduct Self-Report

Student Name _____ ID # _____

Reporter Name (if not the Student) _____ ID # _____

Brief Description of the Incident or problem:

Understand that:

1. This process is confidential.
2. A Self-Report is not an official Self-Report until the student meets with a Case Officer in the Student Conduct Office.
3. You cannot outrun a self-report. This means that if a Police Officer, Calvin's Campus Safety Officer, or a Student Life representative has confronted an incident a Self-Report is no longer an option.
