

Curricular Practical Training Employer Offer Letter Template

Employers/internship supervisors: Federal regulations allow international students to engage in paid and unpaid off-campus practical experiences directly related to their major program of study. To qualify, the student must receive a letter from their employer, which the university will retain in the student’s immigration file. Please draft the letter on company letterhead, and include the following information:

- Today’s date
- Company name, phone number, and e-mail address,
- Street address where the student will work (include company’s office location if the student will work 100% remotely)
- Start and end dates
- A brief description of the student’s duties and the educational goals of the experience.
- Signature

An international student may not begin working until s/he has received an I-20 from the immigration coordinator with a CPT authorization on Page 2.

Please contact Jim Wilder with any questions at 616-526-6629 or jim.wilder@calvin.edu. An FAQ for employers can be found at <https://calvin.edu/directory/policies/cpt-immigration>
