Disclaimer: Although all state licensing and education boards have been reviewed by the Calvin University Speech Pathology and Audiology Department for program adherence, it is up to each student to review the boards as well and be knowledgeable of all requirements. Some boards require additional tests, specific clinical clock hours, or unique state specifications. These requirements are noted here but are also privy to change without notice. Calvin's M.A. in Speech-Language Pathology program proudly states that it meets the ASHA Standards for CCCs and the CAA requirements as an accredited program in the states listed on this form as "MET", but additional requirements from license and education boards are likely.
