Tour Pace

ACTIVE – Travelers considering this tour must be aware of existing challenges for those with mobility, balance, and respiratory issues. While picturesque landscapes and cultural experiences await, navigating hiking trails, uneven terrain, and narrow pathways pose difficulties. **Passengers who require any mobility device must be accompanied by a physically able companion who enables them to keep pace with walking tours on this trip.** Activity levels vary from day to day. Sightseeing is often a hike ranging from one to two miles each day on uneven ground. Your safety and comfort are our top priorities. We are committed to ensuring an inclusive and enjoyable experience for all travelers.

**Saturday, September 6
Portland, OR**

After breakfast, we head to Mount St. Helens. Our first stop is Hoffstadt Bluff for panoramic views of Mount St. Helens and Toutle Valley. Cross the beautiful Hoffstadt Creek Bridge to make our way to our next stop, the Science and Learning Center at Coldwater. Here we have lunch, take in the views of Coldwater Lake and Mount St. Helens, and have the most direct look into the crater. We also have the option to hike the Hummocks Trail on the Toutle River, which illustrates the extreme landscape changes created by a major volcanic eruption. If you aren't up for a hike, stay behind at the visitor center. Here you can find more information about the monument, learn about the education programs offered, shop at the bookstore, or walk along the boardwalk and decks on the lake. There's also a paved path leading through part of the Blast Zone. End the journey with a stop at the Mount St. Helens Visitor Center at Silver Lake for a peek into the past with detailed exhibits about what took place before, during, and after the most recent eruption. Upon returning to Portland, enjoy the evening at leisure. (B, L)

**Sunday, September 7
Portland, OR**

Start the day with an optional worship service at Oak Hills Christian Reformed Church. After a group lunch, we make our way down the Columbia River Gorge with a stop at Multnomah Falls, fed by underground springs and dropping 635 feet down basalt cliffs. Next, stop at Vista House at Crown Point, called the crown jewel of the Columbia Gorge. It is perched atop a rock outcropping hundreds of feet above. Our last stop is Bonneville Dam, a feat of engineering recognized as one of the world's largest hydroelectric systems. Here we will have a view of both sides of the gorge from the observation deck. See Chinook, Sockeye, Coho, and Steelhead salmon swim upstream through the fish ladder, and watch the massive navigation lock in action as it allows boats to pass upstream to downstream. Upon return to Portland, have time for an independent dinner. (B, L)

**Monday, September 8
Bend, OR**

Spend the morning driving south to Bend with a stop at Pilot Butte to admire the stands of juniper and sage. We may have the option to take a bus or hike to the summit for panoramic views. Next, we head to the Old Mill District for an independent lunch and an opportunity to walk along the Deschutes River. The Old Mill District is home to Bend's premiere shopping, dining, and entertainment experiences. After lunch, we visit the High Desert Museum, a one-of-a-kind museum revealing the nature of the West's high desert through artful exhibits, alluring animals, engaging programs, and meaningful history. Enjoy dinner at a restaurant this evening. (B, D)

**Tuesday, September 9
Bend, OR**

Our day begins bright and early with a visit to the Newberry National Volcanic Monument, which provides a unique opportunity to view the lava lands of central Oregon. We start at the Lava Lands Visitor Center where we can take a shuttle up Lava Butte for aerial views of the lava flow. Next, head to the Lava River Cave (only accessible by stairs) to explore the mile-long lava tube, a testament to the geological diversity of the region. After the cave experience, we have a picnic lunch before visiting Newberry Caldera, the jewel of Oregon's Newberry Crater. It features two sapphire lakes, numerous forested hiking trails, and the Big Obsidian Flow, one of Oregon's best volcanic attractions. Dating only 1,300 years, it was the final stage of a larger eruption. After a day exploring this unique area, head back to Mount Bachelor to take the scenic chairlift to the top for dinner with views of the Cascade mountains and alpine lakes. Return to Bend for the night. (B, L, D)

 Lava River Cave:

**Wednesday, September 10
Ashland, OR**

Today we head toward Ashland, stopping on the way to make a loop around Crater Lake. The lake lies inside a volcanic basin and is one of the clearest lakes in the world. The Scenic Rim Drive circles the entire lake with 30 overlooks, one of which we will stop at for a picnic lunch. Afterward, we hike to Discovery Point, considered one of the easiest Crater Lake trails with the best views. Alternatively, hang back at the historic district of Rim Village, perhaps visiting the gift shop or going on a self-guided tour of the points of interest. After arriving in Ashland and getting settled, we meet for dinner. (B, L, D)

Thursday, September 11 Ashland, OR

A full day to experience Ashland awaits! Ashland is a place where culture runs deep, creative inspiration is bountiful, local cuisine is celebrated, and live theater reigns. It's home to the Oregon Shakespeare Festival (OSF), which has been around since 1935. The festival features not only Shakespeare plays but also musicals, classics, and experimental theater. Enjoy the day at your leisure, exploring Ashland on your own. One option is to stroll Lithia Park, which parallels a few central blocks lined with trendy cafes and shops. Have an independent lunch before we meet again this evening to attend a festival performance, possibly the contemporary Western *Shane*, or another play or musical (subject to availability). (B)

Friday, September 12 Crescent City, CA

We leave Ashland and head south to California and the Redwoods. Stop in Elk Meadow for a picnic lunch and hopefully see some Roosevelt elk, the largest of the six recognized elk in North America and a beauty to witness in this foggy meadow. From there, we walk to Trillium Falls, one of the best walks in the redwoods. This gentle trail to the falls is scenic and winds through redwood groves, blackberry thickets, and along ridges. If time allows, we may make a few more stops in this area before heading back north to Crescent City. The evening will be at leisure, allowing us to explore Crescent City before heading to Eugene tomorrow. (B, L)

Saturday, September 13 Eugene, OR

After saying farewell to Crescent City, we venture to the Grove of Titans. Here we witness the largest and oldest redwoods in the world. There is an optional hike into the grove. Next, head towards Brookings where we stop for an independent lunch and to take in the scenery of the beautiful Oregon coast. As we make our way to Eugene, there are many scenic stops along the way. We drive through the Samuel Boardman Scenic Corridor and stop at Face Rock Viewpoint near Coos Bay, to name a few. Upon arrival in Eugene, we check into our hotel to freshen up and relax before a festive farewell dinner. (B, D)

No alterations to these terms and conditions may be made by any Witte employee, representative or agent, unless in writing by an authorized officer of Witte.

General Data Protection Policy. We collect personal data, including, but not limited to legal name, gender, date of birth, passport information, dietary needs, and mobility concerns for the purpose of making travel arrangements on your behalf. We share this information with suppliers as it relates to the operation of your trip/tour. By signing the registration form/agreeing to the terms in TRIP, you agree to sharing your personal data for the purpose of making travel agreements on your behalf.

The cost of your tour includes:

Air transportation from Grand Rapids to Portland and from Eugene returning to Grand Rapids with any regularly scheduled air carrier, based on a nonrefundable/nonchangeable fare, which requires a minimum of 10 passengers traveling round trip together. Other departure cities are available upon request. The identity of the carrier, which may include the carrier's code-share partner, will be assigned and disclosed in your final documents. Tickets are issued 45 days prior to departure. All current airlines taxes, security fees and fuel surcharges are included. Note that these items cannot be guaranteed until tickets are issued.

Secure flight information. The requirement to collect date of birth, gender, and full name are federally mandated by the Transportation Security Administration's (TSA) Secure Flight Program. While disclosure of this information is voluntary, if it is not provided, participants may be denied boarding. TSA's privacy policy, as well as additional details, can be found at tsa.gov using the keywords Secure Flight. Witte takes all reasonable steps to safeguard the privacy of all information collected from its clients.

Frequent flyer points are not guaranteed in connection with group airfares. Some airlines may limit group airfare credits to 25% to 50% of the frequent flyer points that apply to individuals while others do not offer any credits for group airfares.

During registration, you may select an option to be considered for a \$100 discount off your tour cost, in lieu of earning airline frequent flyer miles. If available, a Witte team member will contact you before final payment to let you know you've been selected!

Hazardous Materials. Federal law forbids the carriage of hazardous materials aboard aircraft in your luggage or on your person. A violation can result in five years' imprisonment and penalties of \$250,000 or more (49 U.S.C. 5124). Hazardous materials include explosives, compressed gases, flammable liquids and solids, oxidizers, poisons, corrosives and radioactive materials. For more information, examples and special exceptions, visit: <http://www.tsa.gov/traveler-information/prohibited-items>.

Land transportation. A deluxe air-conditioned motorcoach is used for transfers, excursions, and travel between cities. Because motorcoach travel is restricted in many cities, sightseeing is often done on foot or via public transportation.

Accommodations in moderate first-class to standard first-class hotels based on two people sharing a room with private facilities. When hotels in these categories are not available, top-quality superior tourist-class properties are selected. **The supplement for single accommodations is \$1,100.** If you register alone but want a roommate, we will do our best to assign one. If a single room must be assigned to any member of the group for any reason, even if it is at the last minute or while on tour, we will need to charge the single supplement. Changes in rooming arrangements requested by the participant 45 or fewer days prior to departure may result in additional charges.

Meals. Breakfast daily with lunches and dinners as indicated in the itinerary.

Tour Personnel. A Witte tour manager to accompany the group from departure in Grand Rapids until return. The tour manager may be assisted by local guides at key sites.

Sightseeing and admission fees in accordance with the itinerary.

Tip and taxes are included for all services, including the tip for the tour manager and motorcoach driver.

The tour cost does not include airline luggage fees if charged, portage of luggage, optional travel protection plan including luggage and trip cancellation coverage, optional excursions, independent meals, and any other items not mentioned as included.

Optional travel protection. Witte recommends that you purchase a travel protection plan. For your convenience, Witte Travel offers a travel protection plan designed by TravelEx Insurance Services. This travel protection can be purchased at any time prior to making the final payment for your tour. **To be eligible for the waiver of pre-existing medical condition exclusion, the protection plan must be purchased within 21 days from the time you make your initial trip deposit, provided you are medically fit to travel at the time of purchase. The pre-existing medical exclusion applies to you, your traveling companion(s), and traveling family member(s). For all traveling companions to benefit from the pre-existing condition waiver, each must enroll in travel protection within 21 days of initial deposit and meet qualifications for the pre-existing condition waiver.** The plan cost for the travel protection plan that applies to your tour will be noted in your brochure and on the registration form. It may be necessary to increase the trip cost insured on the travel protection plan if you purchase additional services and/or upgrade any arrangements. This could increase the plan cost of the travel protection plan. This travel protection plan is refundable during the 21-day (30 day for IN, NH, and UT residents) review period following the purchase of the plan; as long as you have not departed on your trip or plan to file a claim.

All non-U.S. citizens should contact Witte for their special requirements. We will check the requirements for non-U.S. citizens at the time they register and again approximately 45 days prior to departure. Witte is not responsible for any changes in requirements for non-U.S. citizens that occur after our final check. All non-U.S. citizens should contact Witte for their special requirements. We will check the requirements for non-U.S. citizens at the time they register and again approximately 45 days prior to departure. Witte is not responsible for any changes in requirements for non-U.S. citizens that occur after our final check.

When travelling domestically or internationally, the U.S. Transportation Security Administration (TSA) and U.S. Department of Homeland Security (DHS) advise that everyone carry at least two forms of acceptable identification in order to board a flight found <http://www.tsa.gov/traveler-information/acceptable-ids>. Examples: DHS-designated enhanced driver's license, Real ID-compliant driver's license, U.S. Passport, a foreign government passport. The name, date of birth and gender that appears on the identification card must exactly match the same data listed on airline ticket(s) and booking records.

Minor children traveling internationally without both parents are strongly encouraged to carry a notarized note signed by both parents stating that they have permission to travel without one or both of them. It has become increasingly necessary to possess such a note, and will save time if questions arise departing from the U.S. or to exit a foreign country. In order to download a sample minor consent form go to: <https://www.us-passport-service-guide.com/minor-travel-consent-form.html> The sample form is a guide only. Parents who share custody of their children should carry copies of the legal custody documents. Important note: Parents are responsible to contact the embassy of the country or countries the minor child will be visiting to confirm all travel entry and exit requirements, which may include obtaining additional notarized documentation.

HEALTH DOCUMENTATION REQUIREMENTS. You are responsible to make absolutely certain to have the proper immunizations and required documentation of such immunizations before travel. Witte shall not assume responsibility for the accuracy of health requirements or vaccination documentation prior to departure or upon landing at the final destination. See your health practitioner for advice. Prior to travel, required inoculations, if any, must be recorded by your health practitioner on a valid vaccination certificate, and you must carry for proof of inoculation where required. If you are concerned about taking any medications or receiving certain inoculations, and adequate timing of such inoculations relative to your travel booking, consult your health practitioner BEFORE booking. Check the U.S. State Department websites <http://travel.state.gov> for relevant information relating to travel to specific destinations, the USA Centers for Disease Control <http://wwwnc.cdc.gov/travel/destinations/list/> and the World Health Organization <http://www.who.int/en/relating-to-health-issues>.

You may also carry a purse, a camera and one piece of hand luggage with a maximum size of 45 linear inches and weight of 15 lbs. These size and weight restrictions conform to most airlines' requirements. Hand luggage does not fit in the overhead bins on the motorcoach. There may be room for it in the storage compartment under the coach or by an empty seat on board. If not, it will need to be placed on the floor in front of your feet.

Tour cost. The tour cost is based on a group of 27 passengers and current tariffs for air and land arrangements.

Please note that these travel arrangements are subject to possible price increases due to additional charges imposed by a supplier or government. You may be charged additional sums by Witte to offset increased fees, fuel surcharges, taxes, fluctuations in foreign exchange markets, and/or changes in group size. Before passing on an increase, Witte will use its best efforts to minimize the amount. If it is necessary to increase the tour cost, participants will be advised at final billing and provided with a summary of the contributing factors. Your signature on the registration form indicates consent to any post-purchase price increases.

The group's airport transfers on the arrival and return days will be timed to the group's flight schedule. Land-only participants may need to arrange for their own airport transfers. Contact Witte for information and costs on options for private transfers. Witte cannot be responsible for any inconveniences to land-only participants resulting from changes in the group's flight schedule. Participants who change their status to land-only less than 90 days prior to departure may be subject to penalties imposed by the airlines.

Special flight arrangements. Note on your registration form if you would like to extend your stay and/or depart from and/or return to another city. The number of passengers who can deviate from the group's flight schedule is restricted. You will be contacted to let you know if the arrangements you requested are possible and to advise you of schedule options and costs. Upon confirmation of your special arrangements, a nonrefundable service fee of \$75 per person will be added to your account along with any additional air or land costs that may apply. In the event of cancellation, the service fee and any nonrefundable portion of special air or land arrangements made for you will be added to the penalties noted under "Cancellations and Refunds." Witte must receive requests for special flight arrangements at least 45 days prior to departure.

Witte cannot be responsible if special requests are not met but we will pass them on to the airlines, hotels and restaurants. If you have dietary restrictions or food allergies, be sure to carry your medications with you at all times. Also, discuss your special needs with your tour personnel and ask the wait staff about the foods you are served.

Mobility Concerns. Sightseeing on Witte tours almost always includes walking. Visits to historical places often mean climbing stairs and walking on uneven surfaces or cobblestones. The Americans with Disabilities Act ("ADA") is only applicable within the U.S., and facilities for disabled individuals are limited outside its borders. A qualified and physically able companion must accompany travelers who need such assistance. Motorized scooters and wheelchairs are unsuitable for many trips. Final tour documents—including itinerary, hotel list, passenger list, flight schedules with departure instructions, and luggage tags—are sent about 10 days prior to departure. Flight tickets are usually made available at the airport at check-in.
