

To: Current Trinity Christian College freshmen nursing students, class of 2029.
From: Dr. J. Lubbers, Chairperson of the Calvin University Nursing Department
RE: Trinity Christian College freshmen nursing student teach-out plan
Date: November 10, 2026

Dear Nursing students,

The Nursing faculty and nursing students at Calvin University grieve with you with the recent announcement of the closure of Trinity Christian college. At Calvin, we hold the nursing program at Trinity in very high regard. The reputation of Trinity's nursing program and your amazing faculty are an inspiration. That said, we would love to invite you to join the nursing program at Calvin University. I believe that at Calvin you will find that same level of excellence and dedicated, exceptional nursing faculty. Our mission at Calvin is to educate you to "Think deeply, act justly, and live wholeheartedly as agents of renewal". We would love to share more about our incredible department at either virtual or in person visits in the near future.

The teach-out plan for sophomore nursing students from Trinity is found below. I would be happy to discuss individual plans further with you.

Classes you may have taken at Trinity Christian College and their Calvin University equivalent courses:
