

# Kuyers Institute Math Curriculum

## How to Request the Instructor Materials

To request a copy of the instructor materials, please send a written letter *on your school's letterhead* with the following information:

- (1) Do you agree to the following terms and conditions for the use of the materials?
  - A. The materials are not to be sold.
  - B. The student materials may be copied and distributed.
  - C. The instructor materials may not be reproduced, stored in a retrieval system, or transmitted, in any form or by any means, mechanical, electronic, photocopying, recording, or otherwise, without the permission of the Kuyers Institute.
  - D. The student materials may be customized under the following conditions:
    1. No information currently on the title or table of contents page may be altered or removed.
    2. A statement must be prominently placed on either the title or table of contents page, indicating that the materials have been altered.
    3. No altered materials may be distributed beyond the instructor's classroom without the permission of the Kuyers Institute.
  
- (2) Please provide an e-mail address; our preferred method of delivery is e-mail attachment. Indicate whether you prefer
  - an editable MS Word 2003 document (2.85 MB), or
  - a non-editable, high-resolution PDF document (926 KB)Both files are in ZIP format to decrease their size.

If you receive e-mail through a security firewall that blocks ZIP attachments, we can arrange to provide the files via download from our site. In certain conditions, we can also send via traditional mail a CD containing the materials. In either case, please provide an e-mail address so that we can contact you.

Please send requests to

The Kuyers Institute
