Steelcase has always been an innovative and forward thinking company that cares about the community. We take pride in finding talented students that will add to our culture. The current Calvin students that we have on board have made a major impact on each respective team that they represent. Calvin students have always been well-rounded individuals. Not only do they have extensive knowledge of their field, but the liberal arts education that they receive makes them an even more dynamic talent! It is always a pleasure having Calvin students in the Steelcase Internship Program.
